I have a strong sense of belonging to the Jewish people.
I have a special responsibility to take care of Jews in need around the world.
Overall, the fact that I am a Jew has very little to do with how I see myself.
It’s important for me to have friends who share my way of being Jewish.
When faced with an important life decision, I look to Judaism for guidance.
I feel comfortable entering a Jewish place of worship.
I feel confident that I can follow along in almost any Jewish religious service.

I have a strong sense of belonging to the Jewish people.
I have a special responsibility to take care of Jews in need around the world.
Overall, the fact that I am a Jew has very little to do with how I see myself.
It’s important for me to have friends who share my way of being Jewish.
When faced with an important life decision, I look to Judaism for guidance.
I feel comfortable entering a Jewish place of worship.
I feel confident that I can follow along in almost any Jewish religious service.
